This writ petition is filed seeking for police protection alleging that respondents 3 and 4 are obstructing the functioning of the hospital. Initially it was mentioned that they had given notice indicating that they are going to conduct a strike on 27.9.2014.

2. We have already passed an interim order on 26.9.2014 directing the police to ensure that no blockage of the ingress and egress of the hospital and to maintain law and order.

3. Learned Government Pleader submits that after the interim order had been passed, no untoward incident has been reported.

Hence, we close the writ petition with liberty to the petitioner to approach the police, if there is any further cause of action.
