JUDGMENT

The petitioner seeks the shifting of an electric transformer. The petitioner is aggrieved by the proposed energisation of the transformer. The petitioner contends that her access to the public road is adversely affected. There is a convenient spot for the transformer to be shifted.

2. Ext.P2 representation filed by the petitioner is pending. I direct the second respondent to consider Ext.P2 representation with notice to the petitioner. The needful shall be done within a period of one month from the date of receipt of a copy of this judgment.

The Writ Petition is disposed of.
