The petitioner has approached the 4th respondent-the Local Level Monitoring Committee by Ext.P2 for correcting the entries and details in the draft Data Bank.

2. It is submitted by the learned Government Pleader that the property is described as 'nilam' in the draft Data Bank.

3. The petitioner's case is that the property is a converted land much before the enactment of Act 28 of 2008. Therefore, this Court is of the view that, there shall be a direction to the 4th respondent to conduct site inspection of the property in the presence of the petitioner and find out the nature of land. If it is found that the land is converted much before the Act, necessarily, corresponding changes shall be effected in the draft Data Bank. Needful shall be done within a period of 2 months of receipt of copy

of this judgment, after giving notice to the petitioner based on Ext.P2.
