JUDGMENT

The petitioners in this writ petition are aggrieved by the condition imposed by the District Collector while he has issued contract carriage permit to the petitioners vehicle for all fit roads in Thrissur Corporation subject to the condition that the vehicle shall not be parked or it shall not pick the passengers from the local limits of the city.

2. The petitioners are the registered owners of autorickshaw bearing No.KL BA/4808, KL AS/8909, KL 08AD/7807, KL 08 AU/8782, KL 08V/1994, KL 08 BB/1306, KL 08 BD/5628, KL-13 V/7404, KL-08 AU/8491, KL-08 AV/2863, KL-08 AX/3538, KL-08 AV/1819, KL-08 AX/5301 and KL-08 AAT/4858. Originally Thrissur was a Municipality. Thrissur Corporation was established subsequently and territorial limits of the Municipal was extended by adding the neighbouring panchayats. The

place of residence of the petitioners are not form part of the original Thrissur Municipality, ie., on account of widening of the territorial limits, the petitioners' residential place became within the limits of the Thrissur Corporation. Section 74(3) of the M.V.Act governs the grant of contract carriage permits and there is no notification issued by the government limiting the number of autorickshaws in Thrissur Corporation, without which the Motor Vehicle authorities cannot impose a condition as made in Ext.P1 to Ext.P14 permits. Similarly, the respondents 1 and 2 cannot issue Ext.P15 to P28 proceedings denying the request of the petitioners for entering the limits of Thrissur Corporation and taking passengers. The present proceedings issued by the 2nd respondent is per se illegal and the same is liable to be interfered by this Court. Hence Exts.P15 to P28 issued by the respondents 1 and 2 is per se illegal and the same is liable to be set aside by this Court ; it is alleged. It is with

this backdrop, the petitioners have approached this Court.

3. I have heard the learned counsel for the petitioners and the learned Government Pleader in the matter.

4. This Court had occasion to consider similar fact situation in WPC No.12993/2015. Though the District Collector in the district concerned is to be guided by Section 74 of the Kerala Motor Vehicles Act, he has imposed the restriction which is challenged in this writ petitions on the basis of a circular issued by the Transport Commissioner. This Court in **Rajesh v Secretary, RTA** (2014(3) KLT 341) has held that the Regional Transport authority cannot make a general order that only a certain number of permits would be granted in an area. The mere existence of a number of permits and the decision by the Regional Transport Authority or a higher authority to restrict the grant based on numbers alone would fall

foul, since such limits could be prescribed only by the State Government under a notification; so found this Court in the aforesaid decision. Therefore, the condition imposed shall not be allowed to stand.

In the result, this writ petition is disposed of directing the Regional Transport Authority to reconsider the issue on the application submitted by the petitioners for the grant of contract carriage permits for their vehicles seeking permission to park within the local limits of the Thrissur Corporation and to pass positive orders within a period of one month from the date of receipt of a copy of this judgment, in the light of what has been stated above.
