The complaint of the petitioner is that even though he has sustained a serious injury on the head in the incident, the offences incorporated are under Sections 324 and 427 IPC only and no other serious offences have been incorporated. Even though a crime was registered against the petitioner also, subsequently the matter was referred.

Presently, on hearing the learned counsel for the petitioner and the learned State Attorney, I do not find anything to interfere with the matter and a further investigation is not called for at present. In case of any

further grievance, the petitioner can approach this Court or other forums at appropriate stage. With the said liberty to the petitioner, this writ petition is closed.
