The petitioner claims to be the owner of the land referred in Exts.P1 and P2 documents. The petitioner approached this Court that an attempt is being made to dispose of the same alleging that the petitioner is in occupation of the revenue land.

2. This Court is of the view that the petitioner shall not be dispossessed or evicted from the land unless the respondents finds that the petitioner is in occupation of the revenue land. It is also appropriate for the Tahsildar to demarcate the petitioner's land as per Ext.P1 after notice to the petitioner and if the respondent wants to evict the petitioner, necessarily this shall be done only in accordance with the procedure contemplated under the land Conservancy Act or Rules.

The writ petition is disposed of, as above
