Dated this the 9th day of October, 2015

JUDGMENT

Ashok Bhushan, C.J.

Heard learned counsel for the petitioner and learned Government Pleader. No notice is being issued to 3rd respondent in view of the order which is being passed.

2. The petitioner has filed this writ petition alleging police harassment. It is submitted that the petitioner has received a notice from the Taluk Surveyor intimating that the boundaries of the property covered by the suit have to be demarcated. It is also submitted that the revenue officials had earlier come to the petitioner, but due to the objection raised by the petitioner, demarcation could not be carried out. Petitioner's case is that police is harassing the petitioner and taking steps for demarcation which is nothing but interference in the civil matter.

3. Learned Government Pleader after obtaining instructions submits that a complaint was received from the 3rd

respondent that the petitioner is creating objection in demarcating the property and he is interfering in the Government work. Learned Government Pleader submits that on receiving the complaint, both the parties were called and they have been advised to abide by the orders of the Civil Court and the proceedings taken thereunder. It is submitted that no action of harassment has been meted out by respondent 1 or 2.

In view of the aforesaid, we do not think that it is a case of police harassment. The Writ Petition is closed.

Chief Justice.**
