Dated this the 23rd day of December, 2015

JUDGMENT

The petitioner approached the second respondent by Ext.P5. According to the petitioner, there are certain anomalies in the re-survey.

2. This Court is of the view that an appropriate decision shall be taken on Ext.P5 by the second respondent within a period of two months after adverting to the necessary report of the fourth respondent.

3. The petitioner has also a case that an attempt is being made to include his property in the Zero land project.

Till a decision is taken in this matter, status quo shall be maintained.

The writ petition is disposed of as above.
