(Made by The Hon'ble The Chief Justice)

The petitioner Company which has installed the tower has filed the present petition seeking connection of electricity service.

2. This petition appears to be counter to the petition filed against installation of the tower. A batch of petitions dealing with the issue of installation of towers has been disposed of by us today. There is, thus, no impediment, on account of pendency of any petition, for the grant of electricity service connection, if all parameters are fulfilled.

3. The petition accordingly stands disposed of. No costs.
