O R D E R

By consent, the main writ petition itself is taken up for final disposal.

2. The grievance expressed by the petitioner is that though he has been paid old age pension, from 01.09.2014 suddenly, it was stopped without any rhyme or reason and in this regard, he submitted a representation dated 05.02.2015 and inspite of the receipt of the same, neither the representation is disposed of nor the old age pension is paid, therefore, came forward to file this writ petition.

3. Heard the learned counsel for the petitioner, who has drawn the attention of this Court to the affidavit as well as the typed set of documents, would submit that the stoppage of old age pension is totally unreasonable and prays for interference.

4. Per contra, Mr.Rm.Muthukumar, learned Government Advocate, who accepts notice for the respondent, on instructions would submit that this petitioner is not entitled to old age pension as he is in possession of property and his claim does not come within the norms and also passed rejection order and undertakes to serve the same within a period of one week from today.

5. In the light of the said submission, this writ petition is dismissed, granting liberty to the petitioner to challenge the order rejecting his request for continuation of old age pension in accordance with law. No costs.
