... Respondents

Petition filed under Article 226 of the Constitution of India for the issuance of writ of Mandamus, directing the respondents 1 to 3 to count half of the service rendered by the Petitioner as Social Forestry Worker on daily wage basis from 18.02.1982 till 31.08.2004 along with the regular service rendered by her as Forest Watcher from 01.09.2004 till the date of her retirement namely 30.09.2012 as qualifying service, send the revised proposal to the fourth respondent, grant pension to the petitioner with all consequential monetary benefits.

For Petitioner : Mr.S.Mani
For Respondents : Mr.N.Inbanathan,
Government Advocate (Forest)

O R D E R

With the consent of both sides, the Writ Petition itself is taken up for final disposal.

2. The petitioner was appointed as Social Forestry Worker on daily wage basis in the Forest Department on 18.02.1982 and she was brought into regular time scale of pay as Social Forestry Worker on 18.02.1982 and her service was also regularized with effect from 01.09.2004 as Forest Watcher after a period of 22 years of long service. The petitioner has come up with this writ petition seeking for a direction to the respondents 1 to 3 to count half of the service rendered by the petitioner as Social Forestry Worker on daily wage basis from 18.02.1982 till 31.08.2004 along with the regular service rendered by him as Forest Watcher from 01.09.2004 till the date of her retirement namely 30.09.2012 as qualifying service, send the revised proposal to the fourth respondent, grant pension to the petitioner with all consequential monetary benefits.

3. According to the petitioner, she was not paid pension, since, she did not render 10 years of regular service in the respondent Department. Further, the grievance of the petitioner is that half of the service rendered by her as Social Forestry Worker on daily wage basis was not taken into account along with her regular service as Forest Watcher from 01.09.2004 till the date of her retirement on 30.09.2012 as qualifying service.

4. As per Rule 11(2) of the Tamil Nadu Pension Rules, 1978, 50% of the contingency services will be taken into account for the purpose of pension, if the employee is subsequently absorbed in regular service. This Court had passed various orders on the above lines, and one such order was made in W.P.No.33732 of 2014 dated 19.12.2014 [R.Yuvaraj v. Government of Tamil Nadu, Rep. by Secretary to Government], wherein, this Court directed the respondents therein to count half of the service of the petitioner therein as Casual Labourer along with regular service for the purpose of pension. The order dated 19.12.2014 in the said W.P.No.33732 of 2014 is implemented by the Tamil Nadu Veterinary and Animal Sciences University by order dated 24.02.2015.

5. The learned counsel for the petitioner relied on a decision of this Court in W.P.No.8205 of 2011 dated 19.04.2011 [M.Gopal Vs. Government of Tamil Nadu, Rep. by Secretary to Government], which decision was confirmed by a Division Bench of this Court in W.A.No.27 and 28 of 2012 dated 13.02.2012 [Government of Tamil Nadu, Rep. By its Secretary to Govt., Vs. M.Gopal].

6. I am of the view that the said judgment is directly on this issue. Non-regularisation of the petitioner for the decades together is not on his default.

7. In these circumstances, the writ petition is disposed of, directing the respondents 1 to 3 to count half of the service of the petitioner as Social Forestry Worker on daily wage basis along with

her regular service rendered as Forest Watcher as qualifying service for the purpose of pension. No costs.
