Petition filed under Article 226 of the Constitution of India for the issuance of writ of Mandamus, directing the respondents 1 to 3 to count half of the service rendered by the petitioner as Plot Watcher on daily wage basis from 10.06.1982 till 14.12.2006 along with the regular service rendered by him as Forest Watcher from 15.12.2006 till the date of his retirement namely 31.07.2014 as qualifying service, send the revised proposal to the fourth respondent, grant pension to the petitioner with all consequential monetary benefits.

For Respondents : Mr.N.Inbanathan,  
Government Advocate (Forest)

O R D E R

With the consent of both sides, the Writ Petition itself is taken up for final disposal.

2. The petitioner was appointed as Plot Watcher on daily wage basis in the Forest Department on 10.06.1982. He was brought into regular time scale of pay as Forest Watcher on 15.12.2006 after a period of 24 years of long service. The petitioner has come up with this writ petition seeking for a direction to the respondents 1 to 3 to count half of the service rendered by him as Plot Watcher on daily wage basis from 10.06.1982 till 14.12.2006 along with the regular service rendered by him as Forest Watcher from 15.12.2006 till the date of his retirement namely 31.07.2014 as qualifying service, send the revised proposal to the fourth respondent, grant pension to him.

3. According to the petitioner, he was not paid pension, since, he did not render 10 years of regular service in the respondent Department. Further, the grievance of the petitioner is that half of the service rendered by him as Forest Watcher on daily wage basis was not taken into account along with his regular service as Forest Watcher from 15.12.2006 till the date of his retirement on 31.07.2014 as qualifying service.

4. As per Rule 11(2) of the Tamil Nadu Pension Rules, 1978, 50% of the contingency services will be taken into account for the purpose of pension, if the employee is subsequently absorbed in regular service. This Court had passed various orders on the above lines, and one such order was made in W.P.No.33732 of 2014 dated 19.12.2014 [R.Yuvaraj Vs. Government of Tamil Nadu, Rep. by Secretary to Government], wherein, this Court directed the respondents therein to count half of the service of the petitioner therein as Casual Labourer along with regular service for the purpose of pension. The order dated 19.12.2014 in the said W.P.No.33732 of 2014 is implemented by the Tamil Nadu Veterinary and Animal Sciences University by order dated 24.02.2015.

5. The learned counsel for the petitioner relied on a decision of this Court in W.P.No.8205 of 2011 dated 19.04.2011 [M.Gopal Vs. Government of Tamil Nadu, Rep. by Secretary to Government], which decision was confirmed by a Division Bench of this Court in W.A.No.27 and 28 of 2012 dated 13.02.2012 [Government of Tamil Nadu, Rep. By its Secretary to Govt., Vs. M.Gopal].

6. I am of the view that the said judgment is directly on this issue. Non-regularisation of the petitioner for the decades together is not on his default.

7. In these circumstances, the writ petition is disposed of, directing the respondents 1 to 3 to count half of the service of the petitioner as Plot Watcher on daily wage basis along with his regular

service rendered as Forest Watcher as qualifying service for the purpose of pension. No costs.
