For respondent

The limited issue raised in all the 7 writ petitions is that the petitioner pursuant to the notices issued by the respondent dated 30.12.2015, 19.02.2015 and 19.01.2015 for the year 2013-14, stating on verification made through the departmental website, it has been noticed that the petitioner claimed wrong availment of ITC and thereupon a proposal has been made for assessment under Section 84 of Tamil Nadu Value Added Tax Act 2006 to levy penalty, replied stating that the department has given only 7 digit TIN number instead of furnishing 11 digit TIN number.

2. Learned counsel appearing for the petitioners would also submit that they have paid tax under Section 12 of TN VAT Act and sought for correct TIN number in 11 digits. When the matter stands as above, it is made clear in the reply that without considering the request for furnishing the 11 digit TIN number, the impugned order has been passed and hence the same is liable to be set aside, he pleaded.

3. Mr.A.N.R. Jaya Pratap, learned Government Advocate appearing for the respondent, finding no reply to the said contentions, agreed to furnish the 11 digit TIN number as requested by the petitioner.

4. Recording the above statement, the impugned orders are set aside and the matter is remanded back to the respondent to furnish the 11 digit TIN number to the petitioners and thereafter to consider the case of the petitioners afresh and pass orders on merits and in accordance with law, in all the matters.

5. With this direction, all the writ petitions are allowed. Consequently, the connected Miscellaneous Petitions are closed. No order as to costs.
