Petition filed under Article 226 of The Constitution of India, praying for the issuance of a Writ of mandamus forbearing the respondents from drawing/putting up the drainage canal/pipeline through the check dam situate at Narayanapuram Village, Palladam Taluk, Thiruppur District, based on the petitioner's representation dated 09.02.2015.

ORDER

By consent, the writ petition itself is taken up for final disposal.

2.The petitioner claims that she is the permanent resident of Door No.30, Ayyappan Garden, Royarpalayam, Palladam Taluk, Thiruppur District and she is owning a house and agricultural land comprised in Survey No.574/1 at Narayanapuram Village, Palladam Panchayat Union, Thiruppur and adjacent to her property, there was a pond, which is a

water storage area and it is used as a check dam for storage of sewage water expelled from the Palladam municipality area and consequently, it has become polluted. The grievance of the petitioner is that the respondents are initiating steps to draw the drainage canal through the check dam, which is in the petitioner's land and if it is allowed, it will amount to create more pollution and in this regard, the petitioner has submitted a representation dated 09.02.2015 to the office of the first respondent as well as to the third respondent. Since the petitioner has not been favoured with any response, she came forward to file this writ petition.

3. Heard the submissions of Mr.C.Prabakaran, learned counsel appearing for the petitioner and Mr.Rm.Muthukumar, learned Government Advocate, who accepts notice for the respondents.

4. This Court, without going into the merits of the representation, directs the second respondent to consider and dispose of the petitioner's representation dated 09.02.2015 in accordance with law and pass orders within a period of six weeks from the date of receipt of a copy of this order and communicate the decision to the petitioner. The writ petition is disposed of accordingly. No costs. Consequently, connected miscellaneous petition is closed.
