By consent, the main writ petition itself is taken up for final disposal.

2. The petitioner claims that he is the owner of residential house bearing No.5/2 Mukhtarunisa Begum Street, (Mount Road), Anna Salai, Chennai-2. The grievance expressed by him is that the respondents are attempted to take electricity transformer right in front of the premises which is ultimately very ingress and egress

from the residential house and in this regard, the petitioner has also submitted his objection dated 03.06.2015 to the Executive Engineer of Tamil Nadu Electricity Board, Chennai - 2 and since he has not been favoured with any any kind of response, he came forward to file this writ petition.

3. Mr.R.Balakrishnan, learned counsel appearing for the petitioner would submit that the third respondent is seeking to erect a transformer right in front of the entrance of the residential house of the petitioner and therefore, the objection filed by the petitioner may be considered in proper perspective and appropriate order may be passed and till then, further order can be deferred.

4. The Court heard the submissions of Mr.P.R.Dhilipkumar, learned counsel for TNEB, who accepts notice for the respondents.
