O R D E R

(Order of the Court was made by The Hon'ble Chief Justice)

The claim of the petitioner is that there had been some instances of bogus community certificates being issued categorising the people as ''Kurumans'' although ''Kurumans'' and ''Kurumbas'' are living only in The Nilgiris District. The petition is general in character without any illustration as to which of the certificates according to the petitioner have been wrongfully issued.

2. In our view, the petitioner should have made necessary enquiries first, found out the certificates which were improperly issued, made representation to the authorities concerned on the issuance of wrongful certificates and if still no action was taken, the petitioner could have approached the Court. The representation of the petitioner is general in character.

3. We are, thus, not inclined to entertain the writ petition at this stage and the petitioner must carry out the exercise as aforesaid first and if his grievance still survives, he can approach the Court.

4. The writ petition, accordingly, stands closed. No costs. Consequently, M.P.No.1 of 2015 is also closed.
