COMMON ORDER

By G.O.Ms.No.697, Home (Transport - 5) Department dated 05.08.2010, the Government restricted that the training programmes to be conducted only by the Government Institutions and not by the private individuals or private Institutions. Challenging the same, these writ petitions came to be filed.

2.Heard the learned counsel for the petitioners and the learned Additional Advocate General appearing for the respondents.

3.In an earlier occasion, this Court in W.P.Nos.19157 of 2010 etc., batch cases dated 27.06.2011, permitted the writ petitioners to make necessary representations, to the first respondent therein, for the reconsideration of the conditions imposed on them, by way of the Government Order, in G.O.Ms.No.697, Home (Transport - 5) Department dated 05.08.2010, within a period of fifteen days from the date of that order and on receipt of such representations being made, the first respondent therein to consider the same and pass appropriate orders thereon, on merits and in accordance with law, as expeditiously as possible.

4.Inspite of the said order, today, the learned Additional Advocate General would submit that, till date, no representations have been received by the respondents from any of the petitioners. A counter affidavit is also filed to that effect by the respondents.

5.However, the learned counsel for the petitioners in W.P.No.19362 of 2015 submitted that the Driving School Owners Association had given a representation dated 11.07.2011 to the respondents in person and a copy of the same has been enclosed in page No.37 of the typed set of papers in W.P.No.19362 of 2015 but, the petitioners are not able to produce the acknowledgment card. The learned counsel also submitted that after receipt of the representation, the then Secretary of the first respondent had assured that the grievances of the petitioners would be looked into and pending consideration, they permitted the petitioners to conduct the refresher course till date.

6.Under such circumstances, the learned Additional Advocate General fairly submitted that to give quietus to this issue, the petitioners be directed to submit their representations to the respondents, within a time frame as stipulated by this Court and on such representations being made, the respondents will consider and pass orders on the same, in accordance with law.

7.Though the prayer in these writ petitions is to challenge G.O.Ms.No.697, Home (Transport - 5) Department dated 05.08.2010, at the time of submitting their arguments, the learned counsel for the petitioners confined their prayer only to provide yet another opportunity to the petitioners for placing their grievances to the authorities concerned, and they have also made an endorsement to that effect.

8.Heard both sides

9.Admittedly, this Court passed an order in W.P.No.19157 of 2010 on 27.06.2011, directing the petitioners to submit a representation. The petitioners claim that their Association submitted the representation dated 11.07.2011, which is denied by the respondents. Had it not been true, the respondents should not have allowed the petitioners to conduct the course as on date. In view of the above, these writ petitions are disposed of with a direction to the petitioners to file their representations to the respondents, within a period of two weeks from the date of receipt of a copy of this order and on such representations being submitted by the petitioners herein, the same shall be considered and necessary orders be passed by the respondents, within a further period of four weeks.

10.At this juncture, the learned counsel for the petitioners submitted that the order of status quo granted by this Court may be extended till the disposal of their representations to be given by the petitioners.

11.In view of the above submission made by the learned counsel for the petitioners, status quo already granted by this Court is extended till the disposal of the representations to be filed by the petitioners.

No costs. Consequently, connected miscellaneous petitions are closed.
