O R D E R

(Order of the Court was made by SATISH K. AGNIHOTRI, J.)

Mr.N.Sakthivel, learned Government Advocate, accepts notice for the respondents. With the consent of the learned counsel on either side, the writ petition is taken up for final disposal, at the admission stage itself.

2. The petitioner has come up with the instant writ petition assailing the legality and validity of the notices dated 1st July, 2015 and 20th July, 2015 issued by the second respondent under Sections 7 and 6 respectively of the Tamil Nadu Land Encroachment Act, 1905 (for short "the Act").

3. It is beyond cavil that before issuance of notices under Section 6 of the Act, the petitioner was afforded an opportunity of hearing by notice dated 1st July, 2015 issued under Section 7 of the Act. It is not clear as to whether representation, pursuant to the said notice, was made by the petitioner. It is further brought to our notice that after the notice under Section 6 of the Act was issued, the petitioner has preferred appeal under Section 10 of the Act on 22nd July, 2015 and the same is pending consideration before the first respondent.

4. Given the fact situation, as afore-stated, no adjudication is required at this stage. However, the first respondent is directed to consider the pending appeal within the statutory period. In the meantime, if application seeking interim relief is filed by the petitioner, the same shall be considered and decided within a period of two weeks from today. It is made clear that for a period of two weeks, status-quo as obtained today in respect of the property in question, shall be maintained.

5. The petitioner has further sought a direction to the second respondent to consider their case for grant of patta in respect of her residential property. According to the petitioner, the land in question are Lake Poramboke and as such, the State authorities are competent to consider her request for grant of patta as per G.O. Ms.No.854, Revenue Department dated 30.12.2006.

6. While considering the said issue, the authorities are at liberty to examine the fact as to whether the land in question is on the water channel, wherein patta may not be granted.

7. At this stage, we do not wish to make any observation as the petitioner has not taken any steps earlier for grant of patta. However, if representation in this regard is pending consideration, the same may be considered independent of other proceedings and appropriate decision can be taken in accordance with the statutory provisions, as afore-stated.

8. The writ petition stands disposed of with the above directions and observations. Costs made easy. Connected Miscellaneous Petitions are closed.
