ORDER

(Order of the Court was made by SATISH K. AGNIHOTRI, J.)

Mr. V.C. Selvasekaran, learned counsel accepts notice for the respondents 1 and 2 and Mr. P.S.Sivashanmugasundaram, learned Special Government Pleader accepts notice for the third respondent. With the consent of the learned counsel for the parties, the writ petition is taken up for final disposal, at the admission stage itself.

2 From a perusal of the records, it transpires that the second respondent has issued locking, sealing and demolition notice dated 04.03.2015 against the petitioner under Sections 56 and 57 read with Section 85 of the Tamil Nadu Town and Country Planning Act, 1971 (for short "the Act"). Thereagainst, the petitioner has already filed an appeal under Section 80-A of the Act before the third respondent-Government on 11.06.2015, challenging the aforesaid notice dated 04.03.2015, which is pending consideration. It is further seen that along with the said appeal, the petitioner has also preferred an application for interim stay, in view of the provisions of Section 80-A(3) of the Act.

3 It was observed by this Court in many a case that if there is an application for interim relief, the authorities are expected to consider the application for interim relief, within a period of two weeks. However, in the case on hand, despite lapse of three months from the date of filing of the application for interim relief, no order has been passed in the said petition. Therefore, without going into the merits of the case, we are of the considered view that if an appeal is filed along with the application for interim relief, the officers are well advised to consider the application for interim relief at the earliest, preferably, within a period of two weeks, to avoid further complications.

4 Accordingly, we direct the third respondent to consider the petitioner's application for interim relief as early as possible, preferably, within a period of two weeks from the date of receipt of a copy of this order and also to consider the petitioner's appeal within the statutory period prescribed under the provisions of law, on its own merits and in accordance with law. It is made clear that for a period of two weeks, status quo as obtained today, in respect of the property in question, shall be maintained by both the parties. The Appellate Authority is at liberty to consider the issue of limitation also, while examining the petitioner's appeal.

5 The writ petition stands disposed of, with the above direction and observation. No costs. Connected Miscellaneous Petition is closed.
