(Made by The Hon'ble The Chief Justice)

The report submitted by the Principal Secretary/Commissioner, Indian Medicine and Homoeopathy Department has been perused, which shows that at last attention is being given to the issue of hygiene in the hospital. The only regret which we have is that it required the present proceedings to wake up the authorities to take necessary steps.

2. No further orders are required, except that the hygiene conditions should be maintained and the surrounding area also properly attended to.

3. The petition is accordingly closed. No costs.
