ORDER

(Order of the Court was delivered by SATISH K. AGNIHOTRI, J.,)

Mr.P.S.Sivashnamugasundaram, learned Special Government Pleader, accepts notice for the first respondent. Mr.R.Arunmozhi, learned counsel, accepts notice for the second and third respondents. With the consent of the learned counsel for the parties, the writ petition is taken up for final disposal, at the admission stage itself.

2. This writ petition is filed seeking to quash the order of the first respondent dated 08.09.2015 wherein the petitioners' appeal filed under Section 80-A of the Tamil Nadu Town and Country Planning Act, 1971 (for short "The Act"), has been rejected as premature and also for a direction to the respondents to regularise the building put up in the aforementioned property.

3. The issue involved herein is as to whether the Special Revision under Section 80-A of the Act is maintainable against the decision taken under the provisions of Sections 56 (2-A) and 57 (4) of the Act, without insisting on the locking and sealing of the premises.

4. This Division Bench, in the judgment delivered today, considered the aforesaid issue, in extenso, in Lalithkumar C. Soni - Vs. - Government of Tamil Nadu and others¹ and held as under:-

" (15). We therefore hold that a special revision petition under Section 80-A of the Act is maintainable before the Government against the decision taken by the appropriate Planning Authority in respect of locking and sealing the premises under sub Section (2-A) of Section 56 or under sub section (4) of Section 57, even before resorting to the act of locking and sealing. In short, sealing the premises is not a condition precedent for filing special revision petition under

¹ W.A.Nos. 16392 of 2015 batch.

Section 80-A of the Tamil Nadu Town and Country Planning Act, 1971 as amended by Tamil Nadu Act 61 of 2008.

16. In the result, the impugned orders are set aside. The petitioners are given liberty to represent the special revision petitions under Section 80-A of the Act. In case of such re-presentation within a period of two weeks from today, every effort shall be taken by the Government to dispose of the matter within the statutory period.

17. In the upshot, we allow the Writ Petitions."

5. In that view of the matter, this writ petition is allowed and the impugned order is set aside on the same terms. No costs. Consequently, connected miscellaneous petition is closed.
