O R D E R

(The Order of the Court was made by The Hon'ble The Chief Justice)

The grievance made in the writ petition does not survive now, though undoubtedly there has been considerable delay in the construction of the court complex at Karaikal. The tenders are now called for on 22.04.2015 and sanction for expenditure has been obtained. The construction of the court complex would be commenced and completed within two financial years and thus, the funds in the first trench were made available in the financial year 2014-2015, the second trench to be made available for the current financial year.

2. A request is made by the learned counsel for the petitioner that at least proper toilet facilities should be made available in the existing old structure, for which learned Government Pleader states that necessary action will be taken within a maximum period of two months from today.

The writ petition is closed. No costs.
