

W.P.No.5019 of 2015**T.RAJA, J.**

Today, the matter is listed under the caption “for being mentioned” at the instance of the petitioner.

2. Learned counsel for the petitioner submits that when this Court has passed the order in the present Writ Petition on 09.06.2015, in view of the earlier order passed by this Court in CrI.O.P.No.20721 of 2013 dated 14.08.2013, wherein, direction was issued to the respondents therein not to harass the petitioner in the name of enquiry, if they carry out manufacture and transportation in dry cement plaster, came to the conclusion that no more direction was necessary, for the reason that the order sought in the present writ petition was already granted in CrI.O.P.No.20721 of 2013 and on this basis, dismissed the present Writ Petition. He further submits that therefore, the word “fails” and “dismissed” shown in the present order would cause misunderstanding in the minds of the respondents. In these circumstances, learned counsel for the petitioner sought for modification of only two words viz., “fails” and “dismissed”.

3. Learned counsel appearing for the respondents takes notice.

T.RAJA, J.

4. Inasmuch as this Court had already passed the order on the same issue in CrI.O.P.No.20721 of 2013 on 14.08.2013, directing the respondents not to harass the petitioner, if they carry out manufacture in dry cement plaster and further the respondents are given liberty to initiate action if the petitioner is found to be carrying river sand separately for transportation, the words "fails" and "dismissed" found in the order dated 09.06.2015 in the present Writ Petition are modified by incorporating as follows:-

"The writ petition is disposed of".

5. Registry is directed to carry out the above modification and issue fresh order copy to the parties concerned.
