ORDER

Seeking a direction to the respondent police to register a case on the complaint of the petitioner, dated 19.08.2014, the petitioner has come up with this petition.

2. I have heard the learned counsel for the petitioner and the learned Additional Public Prosecutor for the respondent and also perused the materials available on record.

3. A perusal of the complaint would go to show that the allegation is so vague, which do not make out any allegation warranting interference. It states that a huge amount has been obtained by way of bribe for plan approval etc. There are no material allegations even to make out a prima facie case. In such view of the matter, this petition deserves only dismissal.

4. In the result, the Criminal Original Petition fails and the same is dismissed.
