3. Perusal of the records shows that the petitioner made a representation on 09.06.2015 to the second respondent, stating

that permission is required to conduct the temple car festival. In the said representation the petitioner is already stated that the festival is being conducted by his ancestors for several years and he has also given the schedule of the programme.

5. However, considering the facts and circumstances of the case, this court is inclined to direct the fourth respondent to conduct a peace committee meeting immediately. The second respondent is also directed to give permission for conducting the temple car festival based on the report of the peace committee meeting. The said exercise shall be done at the earliest point of time.

6. With the above direction, this Writ Petition is disposed of. No Costs. Consequently, connected Miscellaneous Petition is closed.
