ORDER:-

Heard.

2. Writ petition is thoroughly misconceived as a Mandamus cannot be issued to direct the respondents to acquire any land. Learned counsel for the petitioner states that petitioner is only interested in the capacity as a Villager. The beneficial acquisition sought to be made under earlier notification dated 27.05.2008 was questioned on the ground that he would also have been one of the beneficiaries of the house site of the acquired land. However, the said notification was admittedly quashed by this court in W.P.No.15741 of 2008 and batch dated 10.07.2014 giving liberty to the respondents to acquire the land if they choose to do so. Petitioner states that no further action is taken by the respondents and therefore seeks the Mandamus.

3. I am unable to see any legal ground or legal right of the petitioner having been infringed.

Writ petition is accordingly dismissed. As a sequel, the miscellaneous applications, if any, shall stand closed. There shall be no order as to costs.
