COUNSEL FOR THE RESPONDENT NO.1: SRI V. RAMACHANDER GOUD

COUNSEL FOR THE RESPONDENT NO.2: G.P FOR HIGHER EDUCATION

COUNSEL FOR THE RESPONDENT NO.3: SRI K. RAMAKANTH REDDY (S.C OF AICTE)

THE COURT MADE THE FOLLOWING:

"This batch of writ appeals and writ petitions was heard yesterday and today. It pertains to B.Tech and M.Tech courses run by the writ petitioner-institutions.

After hearing learned counsel for the parties and perusing the orders passed by AICTE and the University in pursuance of our order, dated 15.07.2015, and also seven tables prepared by the University pending consideration of legal issues, we propose to pass the following order by way of interim relief:

"The University and AICTE have shown deficiencies in establishment and functionality of laboratories/lab equipments. All colleges/institutions are directed to make all the deficiencies good within a period of six weeks from today. It is made clear that all equipments that are required to run the courses should be placed in the laboratories and they should be in complete working condition for the ensuing academic years.

University shall appoint five teams for inspection of all laboratories to verify whether the colleges/institutions have complied with this direction on completion of the six weeks period from today. All colleges/institutions shall file undertakings in this Court within a period of one week from today stating that they shall comply with this order and shall cooperate with the teams of the University when they go for inspection to verify compliance of laboratory/lab equipments. The management of respective colleges shall also furnish undertaking that they shall keep all equipments in working condition all through out the academic year. The JNTU while constituting the committees shall request the Registrar (Judicial) to depute Assistant Registrars, who will accompany the teams for inspection of all the colleges as aforementioned, in writing. Registrar (Judicial) is directed to appoint one Assistant Registrar to accompany each of the team of the University for inspection of the laboratories. The Assistant Registrar shall also keep his notes of inspection on record in a sealed cover. It is open to the inspection teams to verify faculty deficiency, as indicated in the report and also in the report of the AICTE. The managements are directed to appoint faculty (shortfall) within a period of six weeks from today.

Insofar as Ph.D., faculties are concerned, irrespective of the course, whether B.Tech or M.Tech, all the colleges/institutions shall appoint Ph.D., faculty/Principal, as the case may be, within a period of three months from today. On such appointments being made, the colleges/institutions shall inform the AICTE and the University the name of faculty (Ph.D.) appointed along with bio-data, photograph and a copy of the letter of appointment."

Learned counsel appearing for the parties have agreed that if compliance of this order is not reported, this Court may pass appropriate order on the next date of hearing. Appropriate order would also include closing of either college or the relevant course and in that event, this Court may proceed to pass further order that may be in the interests of the students.

Party in-person and learned counsel appearing for the parties in the following writ appeals have given up certain courses, which are as follows:

W.A.No.695 of 2015

Sri Niranjan Reddy, learned counsel for the writ petitioners, submits that they shall not admit or seek allotment of students for M.Tech., Transport Engineering course.

His statement is recorded and accepted.

W.A.No.633 of 2015

Party in-person submits that whatever courses are mentioned at Sl.Nos.4 and 5 in the order issued by the AICTE, dated 01.09.2015, in respect of St. Mary's College of Engineering and Technology he shall not admit any students for those courses.

Wherever AICTE has clearly stated in the order not to admit students in any course or subject, the institutions and colleges are directed not to admit students for those courses covered by the order of AICTE whether it is B.Tech./M.Tech./M.C.A./M.B.A./M. Pharmacy etc.

It is made clear that all the colleges/institutions shall appoint faculties as per the AICTE approval process handbook for 2015-2016.

Insofar as M.Tech., course is concerned, subject to above, the Convener P.G.C.E.T. shall conduct third phase of admission for the left out students to be admitted in the colleges/institutions involved in these writ appeals/writ petitions and complete the same within a period of one week from 29.09.2015. It is needless to mention that if the colleges do not furnish undertakings of the Chairman/Secretary of the

institution/management, as aforementioned, they shall not be allotted students by the Convener. All colleges/institutions shall furnish copies of their undertakings to the PGCET.
