ORDER:-

Heard.

2. Petitioners state that petitioner No.2 purchased the land in Survey No.608/1 to an extent of Ac.2-11 cents, which was subsequently converted into plots and sold to several others. Thereafter since petitioner No.2 has no source of income, she intends to sell Plot No.9 in Survey No.608/1 to me and thereby they entered into an agreement dated 09.07.2014 and have approached respondent Nos.2 to 4 for registration. Since respondent Nos.2 to 4 are not taking any action, the present writ petition is filed.

3. In terms of Section 22A of the Registration Act, the Sub-Registrar has to examine whether the document presented by the petitioners is to be registered. However, he cannot refuse to receive the document on the ground of non production of no objection certificate.

4. Similar matters were considered by this Court in W.P.No.16384 of 2015 and batch, dated 11.06.2015, and also in W.A.No.1653 of 2013 dated 01.10.2013.

5. In the light of the above, this writ petition is disposed of directing the fourth respondent to receive and process the documents presented by the petitioners without insisting upon no objection certificate. The fourth respondent is further directed to receive and process the document in accordance with the Registration Act, 1908 and Indian Stamp Act, 1899 and if the document is in conformity with the provisions, thereafter register and release the documents in accordance with the due procedure. It is also made clear that in the event of registering authority not being satisfied with the compliance under the Registration Act or the Stamp Act, appropriate refusal endorsement together with reasons shall be recorded and communicated to the parties in terms of Section 71 of the Registration Act.

As a sequel, the miscellaneous applications, if any, shall stand closed. There shall be no order as to costs.
