W.P.Nos.21154, 21291, 21451 and 21511 of 2013

COMMON ORDER: (per Hon'ble Sri Justice G.Chandraiah)

All these matters are identical in nature and, therefore, we dispose of these writ petitions by a common Order.

These Writ Petitions are filed seeking a Writ of Mandamus declaring the action of the respondents/private Medical Colleges in not giving or receiving the application forms into the Management Quota seats in C-1 category in undergraduate Medical and Dental Courses for the academic year 2013-14 and also the action of respondents 1 to 3 in not taking steps to curb the illegalities of the respondents/private Medical Colleges and in not receiving the application forms from the petitioners in accordance with G.O.Ms.No.136 dated 30.04.2007 and G.O.Ms.No.97 dated 06.07.2013, as illegal and arbitrary and consequently sought for a direction to the respondents/private colleges to give the application forms and receive the same from the petitioners in accordance with the aforesaid Government Orders.

This Court, by order dated 17.07.2013, while issuing notice before admission, directed the respondents/private Medical Colleges to issue application forms to the petitioners for admission into MBBS Course under Management Quota (C.1) and receive the same, provided the petitioners submit the applications within the time stipulated therein.

When these matters are taken up for hearing, the learned Standing Counsel appearing for the 2nd respondent-Dr.NTR University of Health Sciences submits that pursuant to the aforesaid directions of this Court, respondents/Private Medical

Colleges issued application forms to the petitioners for admission into MBBS course under management quota for the academic year 2013-14, but the petitioners failed to submit the application forms within the time stipulated therein. He further submits that the academic year 2013-14 in respect of which the petitioners are seeking admissions is already over and in that view of the matter the cause in all these writ petitions does not survive for adjudication and as such the writ petitions have become infructuous.

We find force in the aforesaid submission of the learned Standing Counsel for the 2nd respondent. Since the admissions into Medical Courses for the academic year 2013-14 is already over, the cause in all these writ petitions does not survive for further adjudication.

Recording the aforesaid submission, all these Writ Petitions are dismissed as having become infructuous. No order as to costs.

Miscellaneous petitions, if any, pending shall stand closed.
