ORDER:

Petitioners, who claim to be residents of Padmaraonagar,

Zamistanpur, Secunderabad, are opposing the setting up of the petroleum out by the Hindustan Petroleum Corporation Limited (HPCL).

2. However, in the cause title it is shown as if the Manager of HPCL is the respondent and not the company. However, ignoring the said aspect also, the petitioners seek to question the no objection certificate granted to HPCL by the competent authority as early as 30.06.2012. As on today, no work has been commissioned at the site even as per the instructions of the learned standing counsel for respondent No.4. Hence, the contention of the petitioners that the conditions 3 and 4 of the no objection certificate are likely to be violated by HPCL cannot be a ground to entertain the writ petition at this stage. The writ petition appears speculative and premature and appears to have been engineered to ensure that no HPCL outlet comes anywhere in the locality. The no objection having been granted by a competent authority, it is assumed that the competent authority has followed the guidelines and has already put sufficient conditions in the no objection certificate, which are required to be followed.

The writ petition is meritless and it is accordingly dismissed.
As a sequel, the miscellaneous applications, if any, shall stand closed. There shall be no order as to costs.
