-

ORDER:

Petitioner herein claims that the third respondent is calling him to the

police station frequently and forcing him to settle the dispute between him and the fourth respondent.

2. Instructions received by the learned Assistant Government Pleader from the third respondent, however, states that as on date no complaint is received or any case is registered against the petitioner on the file of the third respondent police station and since the dispute between the petitioner and the fourth respondent is purely civil in nature, the third respondent has no role to play in the said dispute. The allegation of the petitioner that he is being summoned to the police station is denied.

3. Since no case is pending against the petitioner and since the third respondent is not interfering with the civil dispute between the petitioner and the fourth respondent, no further orders are necessary to be passed in this writ petition.

The writ petition is disposed of. As a sequel, the miscellaneous applications, if any, shall stand closed. There shall be no order as to costs.
