Order:

The petitioner, who has, admittedly, constructed a building unauthorisedly by adding the third and the fourth floors, filed this Writ Petition on an apprehension that respondent No.3- Gram Panchayat may demolish the illegal structures even before considering his explanation received by it on 18-11-2015.

In my opinion, the petitioner failed to show any basis for the said apprehension. It is not the pleaded case of the petitioner that when he has entertained such an apprehension, he has issued notice to respondent No.3 to refrain from removing the unauthorised structures even before taking a decision on the showcause notice issued to him. In this view of the matter, I do not find any reason to entertain this Writ Petition.

The Writ Petition is, accordingly, dismissed, however, with the observation that till a final decision on the showcause notice issued to the petitioner by respondent No.3 is taken, illegal structures may not be removed by the latter.

As a sequel to dismissal of the Writ Petition,
WPMP.No.54996 of 2015, filed by the petitioner for
interim relief, is disposed of as infructuous.
