MAHESH GROVER, J.

The writ Court mandated continuation of petitioners in service till regular recruitments are made.

Learned counsel for the respondent states that it is only for a period of one month that their services were dispensed with on account of lack of sanction from the competent authority. The petitioners have further been taken back in service and are continuing ever since.

Neither there is any representation on behalf of the petitioners nor any counter has been filed.

In view of the fact that petitioners have been taken back in service, instant petition is disposed of as having been satisfied.
