The petitioners allege violation of the order dated 06.12.2013 which mandated the Fee Fixation Committee to carry on with the process entrusted to it but not to give effect to any decision without the leave of this Court.

Prior to this writ petition, another writ petition had been filed in this Court bearing No. CWP-7456-2012, wherein, this Court had directed the respondents to take a final decision with the proposal of fee fixation within a period of six months. This order dated 15.01.2013 was complied with by the respondents and the Fee Fixation Committee determined the fee structure to be put on the website and publicize it in the permissible manner which is the cause of grievance to the petitioners which alleges violation of the afore-stated directions given by this Court on 06.12.2013.

The reply filed by the respondents indicate that a clarificatory note has also been inserted that the decision taken by them is to be kept in abeyance.

If that be so, then there is no violation of the order of this Court and the present petition being mis-conceived is dismissed.
