The order of the LPA Bench envisaged a sympathetic consideration to the cause of the petitioner who wants a street to be constructed in front of his house pursuant to which Gram Panchayat has passed two resolutions accepting the grievance of the petitioner to construct a street in front of his house under MNREGA scheme.

If that be so then the grievance of the petitioner stands redressed. Hence, instant petition is disposed of with a direction to the Gram Panchayat to ensure construction of a street positively within a period of six months. The Block Development and Panchayat Officer shall ensure that the needful is carried out within the stipulated period.
