.....Respondents

CORAM:- HON'BLE MR.JUSTICE AUGUSTINE GEORGE MASIH

Present: Mr. Vikrant Pamboo, Advocate,
for the petitioner.

Mr. Ravi Prakash, Advocate and
Mr. Raheel Kohli, Advocate,
for respondents No.2 and 3.

AUGUSTINE GEORGE MASIH, J. (ORAL)

Counsel for respondents No. 2 and 3 states that the members of the petitioner-Association are not complying with the order passed by this Court in toto as they are not submitting the indemnity bond, which fact is disputed by the counsel for the petitioner. However, he states that the indemnity bonds, which are being submitted by the members of the Association, are not being accepted by the respondents rather they are insisting upon the deposit of full amount of electricity bill raised. Counsel for respondents No. 2 and 3 disputes this fact.

Counsel for the respondents No. 2 and 3 submits that the members of the petitioner association, if come forward with the payment of the electricity bill minus the electricity duty accompanied therewith the

indemnity bonds for the amount of electricity duty, the utility services will accept the payments. This arrangement obviously is subject to the final outcome of the Letters Patent Appeal, which is pending in this Court.

Counsel for the petitioner states that it should be reflected in the bill with regard to the electricity duty not being payable along with the other payments. This aspect is not required to be clarified, in fact, it should be a part of the bill. However, in the light of the earlier statement recorded, this contention of the counsel for the petitioner loses its effect.

The present contempt petition is disposed of in the light of the statements recorded above. The parties would be bound by the statements given by their counsel in Court today.
