The order of the writ court was modified by the LPA Bench mandating a consideration for appointment to the petitioner on the post of Assistant Manager (Press) subject to his suitability and to offer him appointment notionally w.e.f.1.8.2014. Actual benefits were also to be granted to him from the date of appointment only.

The respondent has placed on record a communication indicating that the petitioner could not be granted appointment w.e.f. 1.8.2014 as he has attained maximum age limit of 50 years and according to the rules he was ineligible for the post. Consequently, since the mandate of the court has been complied with, the instant petition is disposed of leaving the petitioner to his remedies in law.
