

**IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH**

**Civil Revision No. 1393 of 2015
Decided on : 26.02.2015**

Indu Verma and others

... Petitioners

Versus

Ludhiana Improvement Trust and others

... Respondents

CORAM : HON'BLE MR.JUSTICE G.S. SANDHAWALIA

Present : Mr. Nitin Thatai, Advocate
for the petitioners.

G.S. Sandhawalia , J. (Oral)

The limited prayer in the present revision petition is only for issuing directions to the executing Court to decide the execution application filed in judgment and decree dated 27.08.2012 passed in Civil Suit No.441 of 2009 titled as Indu Verma and others Vs. Ludhiana Improvement Trust and others within a time fixed.

Learned counsel for the petitioners submits that the suit was decreed on 27.08.2012 and the plaintiff-petitioners were held entitled for the change of entries of ownership of the land in dispute and the respondents were directed to make change in ownership and possession of plaintiffs in the records.

It is submitted that a representation was also filed thereafter on 12.06.2013 (Annexure P-2) for complying with the said order which has become final, but no action was taken. Accordingly the execution petition was filed, wherein the plea was taken that the

petitioner had not approached the Improvement Trust and requisite transfer fee has to be deposited and the application had not been made under the relevant prescribed proforma etc.

It is submitted that the petitioner is a widow and a senior citizen and for the last one and half years the arguments have not been addressed and case is being adjourned repeatedly. Reference is made to the last few dates of the zimni orders from 25.08.214 onwards to submit that the decision on the execution application has not been taken.

Keeping in view the above controversy, this Court is of the opinion that since there is no serious contest, as such in the execution application it could be appropriate for the executing Court to decide the above titled execution application at the earliest and preferably by 30.04.2015.

With the abovesaid observations, the present revision petition stands disposed of.

February 26, 2015
