CORAM: HON'BLE MR. JUSTICE K. KANNAN

Present: Mr. M.S. Kathuria, Advocate for the petitioner.

Ms. Anita Balyan, Advocate for the respondents.

K.Kannan, J.

During the pendency of the civil revision petition, I had directed the demarcation to be carried out by the Tehsildar who after carrying out the directions has reported that there is an encroachment as complained of by the decree holder. On 19.08.2015, I directed the counsel appearing on behalf of the respondents to cause the encroachment to be removed and hand over the property to the petitioner in terms of the report. The counsel says that she had informed of the Court's order but she does not know whether there has been any compliance of the directions.

I hold that the defendants are bound to be removed by the relief of mandatory injunction that has been already granted in the decree. The Executing Court will appoint a bailiff to carry out the terms of the decree and cost of removal recovered from the defendant.

The civil revision petition is allowed with the above observations with the costs of Rs. 3,000/- against the respondents.
