CORAM : HON'BLE MR. JUSTICE M.M.S. BEDI

Present : Mr. Narender Pal Bhardwaj, Advocate
for the petitioner.

M.M.S. BEDI, J. (ORAL)

Vide impugned order dated 17.01.2015 (Annexure P-2), an application filed by the claimant-petitioner to execute an award of Motor Accident Claims Tribunal, has been disposed of as having been satisfied.

Learned counsel for the petitioner submits that the petitioner is entitled to an additional principal amount of Rs. 2,01,627/-. The details of the calculation has been mentioned in para 5 of the revision petition.

I have heard learned counsel for the petitioner and I am of the opinion that in case, any additional amount is claimed by the petitioner, an application before the Executing Court would be maintainable. The correctness of the calculations made can be appreciated by the Executing Court.

The present petition is disposed of with the direction that in case, the petitioner files an application for recovery of additional amount for execution of the compensation due, the Court concerned will consider the said application and determine the amount due within period of three months after the notice on the Judgment Debtors.

Disposed of with the abovesaid directions.
