**M.M.S. BEDI, J. (ORAL)**

Vide order dated May 12, 2015, an application for adjournment during the pendency of transfer application has been dismissed on the ground that on account of no stay order having been passed by the higher Court in the transfer application, adjournment could not be granted.

The revision petition against the order of refusal for adjournment is not maintainable. No ground is made out for interference in the impugned order dated May 12, 2015.

Dismissed.

However, dismissal of this petition will neither prejudice the rights of the petitioner to pursue his objections before the Executing Court nor anything said in the impugned order or the order passed by this Court will effect the adjudication of the objections on merits which are stated to be pending before the Executing Court. It will be appreciated in case the transfer application, if any, filed by the petitioner before the District Judge, is decided expeditiously.
