Petitioner has filed this petition challenging the order dated 29.01.2014, whereby application moved by the petitioner for release of the amount invested in fixed deposit, was dismissed.

I have heard learned counsel for the petitioner and have gone through the record available on the file carefully.

Petitioner had filed claim petition seeking compensation on account of death of her husband in the motor vehicle accident. The said petition was allowed by the Tribunal vide award dated 24.01.2011. Petitioner was awarded ₹4,40,144/- by way of compensation. Out of the said amount, ₹1,00,000/- was released to the petitioner, whereas the remaining amount was ordered to be invested in Fixed Deposit Receipt (FDR) for a period of three years. The case of the petitioner is that she requires the amount to bring

up her minor child and other domestic purposes.
