The petitioner's objections to the Commissioner's report was rejected by the Court below.

I modify the Court's order and direct the Commissioner to be examined as a Court witness and liberty given to the respective parties including the petitioner to cross examine the Commissioner on the objection which he has taken. The Court will consider the evidence elicited through the Commissioner for the extent of reliance on the report that it could make before delivery of judgment.

Civil Revision is disposed of with the above directions.
