Counsel for the respondents states that construction has been completed, whereas this fact has been disputed by counsel for the petitioner. However, it is clear from the report obtained from the concerned Court that the case is at the final stage of adjudication.

In these circumstances, the parties are one on the point that the suit should be decided at the earliest and status quo at the spot as it exists today be ordered to be maintained till disposal of the suit.

In view of the above, this revision petition is disposed of with a direction to the Court below to dispose of the main suit on merits within a period of three months from date of receipt of copy of this order even by conducting the proceedings on day-to-day basis. Till then, the parties shall maintain status quo as it exists today.
