CM-29016-CII-2014

Application is allowed as prayed for.

Documents Annexures P-3 to P-6 are taken on record,
subject to all just exceptions.

CR-8587-2014

Prayer in the instant petition filed under Article 227 of the Constitution of India is for issuance of a direction to the Executing Court to first decide the objection petition (Annexure P-1) filed by the objector-petitioner then to proceed further with the execution as rights of the objector-petitioner are being prejudiced.

The only direction so far issued by the Executing Court, pertained to demarcation of the land for which the decree was passed. So, for that purpose, the learned Executing Court was quite justified in not staying the proceedings at this stage.

In view of the above, the instant petition is disposed of with liberty to the petitioner to move appropriate application for grant of stay of execution, after the demarcation report is received.
