ANITA CHAUDHRY, J. (ORAL)

This order shall dispose of Crl. Misc. Nos. M-11291 and 11849 of 2015 as both the petitions arise out of the same FIR.

The petitioners are seeking regular bail in FIR No. 123 dated 12.11.2014 registered at Police Station Ajitwal, District Moga under Sections 306/34 IPC.

Learned counsel for the petitioners contends that petitioner are father-in-law and mother-in-law of the deceased. He further contends that the deceased was suffering from Diarrhoea and

vomiting and was admitted in a hospital and after his discharge on 05.11.2014 he was taken away by his family and he died on 10.11.2014 and the cause of death is not known till now and the viscera report has not been received and trial would take time.

Challan has been presented against the petitioners under Section 306 read with Section 34 IPC. The petitioners are father-in-law and mother-in-law of the deceased – Manjinder Singh. As per the allegations of the prosecution, Manjinder Singh had come to the house of the accused to attend a function on 02.11.2014. A quarrel had taken place on 04.11.2014 between the deceased and his wife and her family. The allegations are that in-laws had administered poison. The viscera report has still not been received. The cause of death is not known.

Without commenting on the merits of the case and considering the fact that the trial will take long time to conclude, the petition is allowed and the petitioners are ordered to be released on bail on their furnishing adequate bonds to the satisfaction of the trial Court.
