Petitioner seeks cancellation of bail of her sister-in-law and mother-in-law on the ground that recoveries have not been effected.

In the present case, the husband of the complainant/ petitioner had been granted the concession of regular bail after his police and judicial remand. Whether the recoveries have actually been effected during the said period, cannot be adjudicated upon in the present petition.

Respondents No.2 and 3 being ladies having been granted the concession of pre-arrest bail, I do not find any ground to cancel the bail.

The petition for cancellation of bail of respondents No.2 and 3 is dismissed.
