Baljinder Singh ...Petitioner

Versus

State of Punjab ...Respondent

CORAM: HON'BLE MR. JUSTICE FATEH DEEP SINGH

Present: Mr. D.S. Pheruman, Advocate
for the petitioner.

Ms. Deepa Singh, Addl. A.G. Punjab.

FATEH DEEP SINGH, J.

This is a petition under Section 439 Cr.P.C. for grant of regular bail in FIR No.3 dated 05.01.2015 under Sections 22/29/61/85 of the NDPS Act registered at Police Station Sadar, District Tarn Taran.

The allegations against the petitioner-Baljinder Singh in this regular bail application are that on 5.1.2015 he was found in conscious possession of 280 grams of intoxicant powder without any authorisation or licence. The contentions of the learned counsel for the petitioner that the petitioner is in custody from almost six months and that neither the challan has been presented nor the report of the Chemical Analyst has been received could not be controverted on behalf of the State. Learned State counsel has accepted that there is no likelihood of receipt of

report of the Chemical Analyst in near future.

Keeping in view these state of affairs and that the petitioner is in custody and there is no likelihood of expeditious trial and that the petitioner has already undergone substantive incarceration and in view of the totality of these circumstances it would be expedient in the interest of justice to allow interim bail to the petitioner subject to furnishing of personal bail bonds to the tune of ₹1,00,000/- with two sureties of the like nature to the satisfaction of the trial Court. However, on receipt of report of the Chemical Analyst the State shall be at liberty to move this Court for cancellation of the bail, if so advised.
