It is not disputed before me that no payment has been made pursuant to order dated 17.11.2014. In the circumstances it is clear that apart from other misdemeanours the petitioners are also guilty of trying to overreach this court because specific and categoric undertaking had been given that the petitioner would make payment of Rs. 16 lacs to the respondents out of which Rs. 11 lacs have not been paid despite time having been specifically sought for this purpose on two occasions. On the strength of this statement the petitioner had obtained the order of stay of arrest.

In the circumstances the petition is dismissed.
