Versus

State of Punjab

.....Respondent

CORAM: HON'BLE MRS. JUSTICE SABINA

Present: Ms. Rahish Pahwa, Advocate
for the petitioner.

SABINA, J

Petitioner has filed this petition under Section 438 of the Code of Criminal Procedure, 1973 seeking anticipatory bail in FIR No.106 dated 18.07.2015, under Sections 419, 420, 506, 120-B of Indian Penal Code, 1860, registered at Police Station Sidhwan, District Ludhiana.

Prosecution story, in brief, is that the petitioner and his co-accused had defrauded the complainant. Accused had taken ₹6,50,000/- from the complainant on the pretext that they would lease out 38 acres of land for two years. However, Jaswinder Singh co-accused of the petitioner was not the owner of the property in question.

Learned counsel for the petitioner has submitted that the petitioner had allegedly got the deal finalized. Petitioner has been falsely involved in this case and is ready to join the investigation.

In the present case, allegations levelled against the petitioner are serious in nature. The agreement qua lease is signed by the petitioner. Complainant was made to pay ₹6,50,000/- to the accused on the pretext that the land measuring 38 acres would be given on lease to him, but the said land was not owned by any of the accused. Petitioner might be required for custodial interrogation.

Dismissed.
